

APPLICATION FORM EPA REFRIGERANT RECOVERY TYPE I MAIL-IN EXAMINATION

A Type I Certificate authorizes a technician to purchase and handle refrigerant in the maintenance, service, or repair of small appliances that are fully manufactured, charged, and hermetically sealed in a factory with five (5) pounds or less of refrigerant. Among others, these include home refrigerators and freezers, room air conditioners (to include packaged terminal air conditioners) and packaged terminal heat pumps.

Administered by: The State Board of Refrigeration Contractors (SBRC)
1027 US Hwy. 70 West Suite 221, Garner, NC 27529
(919) 779-4711
services@refrigerationboard.org

Provide a photocopy of two forms of current and valid identification. At least one form of identification must include a photograph. Acceptable forms of identification include a valid driver's license, social security card, passport, military identification, other forms of government (local, county, state, federal) identification, or other appropriate employment identification cards.

The examination is fairly difficult and contains materials that you will not have learned from field experience and previous training. Therefore, the SBRC has an optional **Self-Instruction Manual** available for an additional \$20. It will be to your definite advantage to have this **manual** to study and have available as you take the examination.
